PKF Zurich

Outsourcing

What sets us apart

- As part of the global PKF network, we provide access to experienced specialists for both national and international matters
- Proven quality, professional excellence and a collaborative advisory approach built on partnership and trust
- By fostering close collaboration across our specialist teams, we develop practical, holistic solutions that address financial, tax, audit and operational challenges
- With our outsourcing services, we support your company with reliable, efficient and professional finance and accounting solutions

How we support you

Interim CFO & Management Support

- As Interim CFO, we provide leadership and financial management support on a temporary basis during staff shortages, periods of rapid growth, or other business-critical situations
- We assist with budgeting, cash flow planning, reporting, and the continuous enhancement of finance and accounting processes
- Our independent external perspective strengthens decision-making, provides clarity and direction, and relieves pressure on your management team

Finance & Accounting Outsourcing

- Ongoing financial accounting, including bookkeeping, reconciliations, and the preparation of monthly, quarterly, and annual financial statements
- Preparation and processing of invoices, monitoring of outstanding receivables, and management of collection procedures
- Review, control, and quality assurance of accounting records, supporting documentation, and internal processes
- Support with management reporting, audit preparation, and ongoing process optimisation

Payroll, Tax & Administrative Services

- Administrative support as well as payroll, tax, and VAT services.
- Coordination between internal and external stakeholders to ensure smooth communication and efficient collaboration
- Close cooperation with your team to ensure seamless processes, transparency, and reliable day-to-day operations

As accounting, tax and audit professionals, we provide all services from a single source, creating efficient processes, minimising coordination effort, and delivering sustainable added value.

Your benefits

We take over selected finance, administrative and support functions, allowing you to focus on growing and developing your business. You benefit from an interdisciplinary team of experts, flexible resources and efficient processes, without the need to build additional in-house structures.

Our expertise

Outsourcing is more than delegating administrative tasks. We create capacity for your core business, increase transparency, and ensure efficient and reliable processes.

Our outsourcing approach is personal, digital, and solution-oriented. We develop tailored models that adapt flexibly to your company size, operational processes, and growth objectives.

Flexible on-site or remote: We adapt to your needs and company size, delivering efficient and agile support exactly where you need it.

Whether you require support for individual functions or comprehensive business process outsourcing solutions, we take responsibility, establish clear ownership, and ensure seamless execution.

Personal support backed by a team of experts: You benefit from a dedicated point of contact who can leverage the expertise of our specialists in accounting, payroll, tax, VAT and audit whenever required.

Through close collaboration between our accounting, payroll, tax, and audit specialists, we develop integrated solutions and provide you with a single point of contact for a wide range of business and compliance matters.

We rely on a certified premium IT provider in Switzerland to operate our Abacus systems securely and effectively. All data is processed and stored exclusively in Swiss data centres. The provider adheres to recognised security and compliance standards, including ISAE 3402 and ISO 27001, complemented by automated daily backups to ensure maximum reliability and data protection.
